

Hello from the Uniform Team,

Welcome to WestJet!

To have you set up for success please look at the check lists that are included in this document.

We have two categories of uniforms, and they are not gender specific.

- Lakes Collection- a collection of dresses, skirts, pants, scarfs, and blouses
- Rocky Mountain Collection- a collection of pants, button up shirts, vests, and ties

You can wear whichever collection you're most comfortable in as long as you meet the standards outlined in the uniform standards manual [found here](#). All information relating to uniforms is updated on this website, so make sure you check back occasionally.

We have the WestJet fit center available to try on all the uniform items, with the help of our amazing team, you'll be guided through placing your order and ensuring that the shipping information is correct. If you're in the Calgary area, please book your appointment through this link [The Runway - Uniform Fit Center \(office365.com\)](#)

The Runway - WestJet's Uniform Fit Centre is located on the first floor of the Russ White Hangar at the Calgary Campus.

Open: Mon, Tues, Wed, Fri from 0900-1645

Alternating Thurs from 1100-1845

Please park in the orange lot; come across the Plus15 walkway, downstairs, and through the double doors to find the Runway on your left.

If you can't make it for an appointment or live in a different city, there is the Perfect Fit measuring tool available on the ordering platform to help you select your size. Please read all the instructions prior to utilizing the tool and make sure that you're wearing fitted clothing.

If the suggested sizes don't seem right, we recommend ordering a size closest to what you currently wear.

Because of shipping timelines, we're recommending placing an order as soon as possible.

To access your account please go to:
